The International Women's Day organization campaign is "**Better the balance, better the world.**" If we can better the gender balance across all facets of life, we will better the world.

Challenge your members to put their hands out and **STRIKE THE #BalanceforBetter POSE**, and make International Women's Day their day!

Do what you can to truly make a positive difference for girls and women everywhere.

Dress for some outside time around the fire and then Stone Soup to follow. Please bring a donation to our stone soup. Vegetable soup will be made. Please wash & prep your veggie donation so that it can go straight into the pot! Lug a bowl & spoon if you can.
